The Pakistan Largest NonAlcoholic Beverage Company

And ET-BEVERAGES is a first manufacturing company which can introduced a soda fountain machine in Pakistan which company that's make a own model and launch in Pakistan- In (2020) TO (2022) they were sold upto 300+ setups in all over Pakistan And people feed back a very good about quality.

Our company's purpose is to refresh the world and make a difference. Our portfolio of brands includes upto 16 sparkling Drinks like that lemon, apple, orange, and other 5 Flavoured in milk. Our hydration, natural juices, slushes and ice cream include sports, coffe and tee brands. Our nutrition, juice, dairy and plant-based beverage brands include Minute Maid, Simply, innocent,

We're constantly transforming our portfolio, from reducing sugar in our drinks to bringing innovative new products to market. We seek to positively impact people's lives, communities and the planet through water replenishment, packaging, sustainable sourcing practices and carbon emissions reductions across our value chain. Together with our bottling partners, we employ more than 100 people, helping bring economic opportunity in Pakistan. And ET-BEVERAGES has a upto 50 soda outlets in biggest cities of Pakistan.

At The ET-BEVERAGES Company, we are in pursuit of becoming an even more consumer-centric total beverage company. Beverages are a growing and vibrant industry with long-term growth opportunities well into the future. We have established a platform for sustained performance in order to capitalize on that opportunity centered around disciplined portfolio growth, an aligned and engaged bottling system and winning with our stakeholders. All underpinned by digitizing our enterprise, fostering a growth and inclusive culture, and growing sustainably.

About Us

In 1990 M.BILAL and his two brothers M.IRSHAD AND M.IJAZ will starting a soda work in our local area. And this brother is a founder of company M.BILAL will produced syrup of different 14 flavours and in firstly they will fill the bottles of glass of different flavours. And this three brothers make a first soda outlet in our small local arear. The Area peoples will very like her soda taste. And this three brothers will work hard on day by day for the good impressions of people.Its first soda outlet name is EJAZ SODA WATER. This three brother is very hard worker and hounestfull person. And they will very carefull about area peoples. In day by day her work will increase. And people likes her more to more. In further years they will introduced many new flavours. This 3 brothers will also changed her style according to environment and upto date every time. This three brothers will make a decision to make another outlets in another areas in our city. Than they will make another's outlet in other area that's feedback is very good. Than this brothers working day by day and make new outlets. At 1 time there's outlet convert into brand in her city. TheyWill make a good packing use also same taste on her outlets.

In (1990 to 2019) there has many branches in different cities of Pakistan.In (2019)

The Technology gone a high people moveout at next level. Than this three brothers will thought we will changed a style for covering the standard of people.

Than it will search many for new trend.AND that's time china will introduced first automatic soda fountain machine.and its trend is very high. Than her third brother M.EJAZ think about that's machine and asking her brothers for making own soda fountain machine In Pakistan. This is very complicated because its need a parts or a engineering team. But it can't have. Its second brother M.IRSHAD will a very technical person and. And this three brothers start working and introduced a first model in Pakistan. Than they will convert her ejaz soda water shop ino ET-BEVERAGES COMPANY OF PAKISTAN And that's time there company will control three products SODA OUTLET, MANUFACTURING OF SODA MACHINE and SYRUP BAGS DISTRIBUTOR IN ALL OVER PAKISTAN

PRODUCT LIST

4 Valve Soda Machine

Product Description

Brand	ET-Beverages
Type Of Beverages	Soda
Body Material	Stainless Steel
Machine Type	Fully-Automatic
Number Of Flavours	4 Flavours
Storage Capacity	40Ltr
Warranty	6Months _(only Compressor)
Frequency	50hz

Technical Specification

SODA MACHINE 4+2	
Brand Name	ET-Beverages
Glass per Day/360ml	400
Machine Diameter(L*W*H)	17*24*33
Compressor	1/3 Ton (secoop)

Transformer For Volume Operating	19 v dc
Power Consumption (Full Load)	600 walts
Degree	-2C to +2C
Carbonated Flavor	4 Valve
Non Carbonatd (Mango Juice Type)	///
Plan Soda Options	1
Machine Type	Fully Automatic Digital
Valve Type	(Lancer) And (Corlenius)
Main Controller	PCB Control Card (Fully Software)

6 Valve Soda Machine

Product Description

Brand	ET-Beverages
Type Of Beverages	Soda
Body Material	Stainless Steel
Machine Type	Fully-Automatic
